

Year 4
Information
for Parents
Spring 2021

Welcome to the Spring Term!

Within this document, you should find helpful information about the term ahead. Usually I maintain an 'open door' policy for parent enquiries, however due to COVID I am unable to accommodate meetings. Please do email me if you have any queries and I will get back to you as soon as I can – don't just wait for parents evening! (year4@wildmoorheath.org.uk)

Mr Phelps and Mrs Osman

Home learning 	Each week your child should: read aloud regularly (daily if possible); practise the weekly spellings daily (using the honeycomb strategies provided and Spelling Shed) and practise times tables (via Times Table Rockstars). Last term, those who logged in to these resources performed significantly better in times tables and spelling tests than those who didn't – the impact that these online resources can have really is huge!
Website 	The class page, which is accessible via the school website, will contain various information, links, and notices so please do check in regularly.
Music 	Children will continue to receive cornet lessons by specialist music teachers from Berkshire Maestros. These lessons will be on a Thursday morning and children can take instruments home if they wish, just please remember to bring them back as we cannot share!
P.E. 	Our P.E. lessons this term will be on Monday and Thursday afternoons, there will be no indoor P.E for the time being. Please ensure that all items of your child's kit are named. Any earrings must be removed for P.E and long hair needs to be tied back. We will try to get outside in all weather so appropriate clothing is necessary, maybe even a towel if it rains! We will hopefully be receiving specialist hockey coaching for the last 3 weeks of term.
Class Charters & Rewards 	Each class started the year by creating their Class Charter, which forms the class rules that each child agrees to follow. House points will be awarded to children who follow the school values by showing polite manners, positive teamwork or excellent effort. Celebration assemblies are held every Friday where children may receive a certificate for being the Star of the Week or Mathematician of the Week. In addition, we will reward children who take care with the presentation of their work.
