

This term, in Rabbits class, our topic is
'Once upon a time'

Continuing Learning at Home

Here is an overview of what we are learning in Year One this term:

Literacy

We will be reading and sharing many books for this half-term including a variety of traditional tales including 'Goldilocks and the Three Bears' and 'The Three Little Pigs'. We will be also looking at instructions and making our own Easter nests.

Our writing will be focussing on creating a wanted poster, retelling the story of the Three Little Pigs

and writing our own instructions. When writing, children will be encouraged to use a correct pencil grip and form their letters correctly in preparation for joining their letters. We will teach the use of finger spaces, full stops and capital letters in addition to a range of adjectives and conjunctions.

Maths

This term we will be continuing with place value and looking at length/height and weight/volume. We will continue to write our numbers to 20 correctly and recognising number bonds to 20.

Topic

As scientists we'll be finding out:

- About different materials, identifying and sorting them.

We will be carrying out a 'three little pigs' investigation, deciding which material would be best.

As geographers we'll be finding out:

- About buildings around the world.

As **historians**, we'll be finding out:

- About what houses were like in the past, over 100 years ago.

As **technologists**, we'll be finding out:

- About how to design and build our own homes.

As **artists**, we'll be:

- Learning about the artist LS Lowry and creating a piece inspired by Lowry.

PSHE

In PSHE this term we will be learning about 'Healthy Me' where we'll explore what it means to be healthy and safe, make healthy choices and understand about medicine and road safety.

P.E.

Once we are back at school, our P.E. day will be **Tuesday**. We will focus on developing partner work. A gentle reminder to make sure all PE kits are named. Please make sure your child has outdoor trainers, jogging bottoms and a jumper.

R.E

We will be learning about Christianity and the Easter Story, with a focus on Palm Sunday.

ICT & Computing

We will be learning how to:

- Use diagonal direction keys to move the characters in the right direction.
- Create a simple algorithm.
- Debug their algorithm
