

Year 6 Home Learning 2021 - 2022

In preparation for secondary school, it is important to practise basic skills regularly.

In Year 6, you should do these **EVERY DAY**:

- Read a book for at least 15 minutes (also persuade an adult to read aloud to you as much as possible to improve your vocabulary and comprehension).
- Practise spellings (using Spelling Shed and/or honeycomb tasks in your spelling book)
- Practise times tables (using Times Table Rockstars or another strategy)
- Practise joined handwriting

You may also have one extra maths or writing task to complete each week. Check the “due date” carefully!
