Thursday, 15th September 2022

Dear Parents and Carers,

I am writing to advise you of two extra INSET days which we are holding this year for essential staff development and training.

The two extra days will be on:

Friday, 25th November 2022 – Wildmoor Heath School

Mrs Joseph and Mrs MacManus will lead training for all teaching staff focused around the 2022 SEND Review. They will cover the early identification of special needs, staff supervision to enable this, plus strategies to help Reception families and staff support children with SEND. We will also take the opportunity to work on our Ofsted priority to, 'refine the curriculum' further.

Monday, 20th February 2023 – all Greenshaw Learning Trust schools

This will be a whole Greenshaw Learning Trust day which all teaching and learning staff will attend. The focus will be to develop staff understanding about children's process of learning, so that as a team we ensure long-term retention of learning. I attach a letter from our GLT Primary Director, Liz Easaw, explaining the focus of the day.

Thank you for your support with these two extra days; I realise that this may impact your family work schedule and I regret any inconvenience this may cause. I have negotiated with our Beehive Club that they will be willing to run the club from 8:00am to 6:00pm on both of these extra INSET days; please book in the usual way on-line.

Thank you for your understanding and best regards,

Leslie Semper
Headteacher
