

# Wildmoor Heath

## WELCOME BACK

We are looking forward to welcoming the children back into school on Monday 4th September 2023. The gates will be open at 8.40am. Children in Year 3, 4, 5 and 6 can walk in through the pedestrian gate to their classrooms. Year 4 and 5 can enter the school through their cloakroom door at the front of the school; Year 6 can enter through the Year 6 classroom door from the playground and Year 3 can enter through the hall door. Reception, Year 1 and Year 2 children can be brought onto the playground to meet the staff who will welcome them into school.

Click [HERE](#) for a reminder of the school uniform. Please ensure that the correct PE kit is brought into school every Monday morning and kept in school all week. Children will also need separate trainers or wellies that can be kept in school for use at playtimes and lunchtimes.

Click [HERE](#) for a reminder of the adults working within your child's class. We have organised '**Meet the Teacher**' sessions next week - see the school calendar for dates. The first newsletter of the year will be sent out next week and it will detail the main events and school trips of the year, so that you can plan ahead.

Have a lovely weekend!

Mrs Vincent

Click [HERE](#) to see  
all the dates on the  
Parent Calendar on  
the school website.

## Zoning - in: Back to School!

Returning to school after the summer holidays can cause a mix of excitement and anxiety for children. This is absolutely normal and to be expected.

To support a smooth transition, we invite parents/carers to talk to their children and find out what they are looking forward to, what they are worried about and one piece of news from the summer holidays that they can share with their teacher. If your child wishes, they can write it down on the sheet below or they can just talk about it.

This is **optional** - you are under no pressure to do this but we know that talking about our worries or things we are looking forward to is extremely beneficial for children. We also encourage parents/carers to read the Zones of Regulation blog series on supporting a smooth transition back to school -
