

In our last staff meeting, the team looked back on the on the incredible journey of the school over the past few months, with so many highlights to reflect upon.

From sporting events to school trips, an art exhibition, choir performances,

Christmas lunches and performances, time and again our children have demonstrated Wildmoor's ethos of positivity, enthusiasm and confidence. This was especially evident during this week's Nativity and Christmas Performances, which really put everyone in the Christmas spirit. Thank you to our fantastic staff for creating such unforgettable experiences for the children. A special thank you to Kathryn Pierce for her very generous donation of crackers and decorations for the Christmas lunch tables. Thank you, too, to our wonderful Wildmoor families, for all your support this term. Staff and parents working together in such a positive family partnership is so important for our children to thrive in school. We would really welcome your thoughts and positive comments on our first term. Please spare a couple of minutes to add your comments to our Google form here:
