Staff

All Beehive staff are DBS checked, have safeguarding training and hold 12-hour Paediatric First Aid Certificates.

The club manager is qualified to NVQ Level 3 or above in Children's Learning and Development and/or Playwork.

A Session at the Beehive

The Club's aim is to continue education through play, while creating a safe, supportive and happy environment.

The club offers a broad range of indoor and outdoor up to date activities, ensuring that children are always stimulated.

Children are encouraged to take an active role within the running of the club, helping with preparing snacks, writing their own rules and choosing activities.

Self-confidence, good social skills and independence will always be encouraged.

The club provides a healthy breakfast and a snack in the afternoons.
