ISSUE 1 - SEPTEMBER 2025

**Welcome back!** I hope everyone enjoyed the lovely summer weather this year. Of course now that we are back at school, the weather has become more changeable, with rain on and off throughout the day. Thank you to everyone who reminded the children that they need to bring **waterproofs/coats** and **wellies/outdoor trainers** into school. Unfortunately, we still have a number of children without coats or outdoor trainers/wellies. Children won't be able to play on the field unless they have wellies or outdoor trainers to change into. Please can you help them to remember these essential items and **make sure they are clearly named**. Please also remember to bring a **SMALL rucksack** to fit in the lockers.

The children have settled in brilliantly this week - it is like we haven't been away! We are very proud of them.

There have been many changes over the summer: new Key Stage 2 toilets; new staff toilets; bespoke bookcases in the library; resurfaced Reception outdoor garden (including a train and station!) and a new outdoor area for Year 1. It all looks fresh and modern.

We are hoping to organise parent volunteer days soon, to help de-weed the site, jetwash surfaces and remove rubbish, all in time for our open mornings for prospective parents. We would really appreciate your support in promoting our lovely school - please forward the open morning dates to any parents who have children starting school next September (see dates below or on the website). Thanks to your support last year, we have a full class of 30 children starting in Reception next week and we still have children on the waiting list!

# Reminders

## School Uniform

Can we ask you to help us out with an ongoing problem? Water bottles and school uniform, especially jumpers and cardigans, are left scattered and abandoned around the school. We do try and encourage children to take responsibility for their possessions, but we still find water bottles and clothing left on the field, playground or in the hall. **PLEASE MAKE SURE THAT ALL ITEMS ARE LABELLED WITH YOUR CHILD'S NAME.** Labelled items will be handed back to the appropriate class but unlabelled items will be put in the 'Lost Property' storage in the office. Due to lack of storage space, any unclaimed items will be recycled or disposed of at the end of each month. Also, please remember to send in the correct PE kit; waterproofs and outdoor trainers/wellies (all clearly labelled). Thank you for your cooperation.

## Positive & Negative Behaviours

As part of our Behaviour Curriculum, at Wildmoor Heath, from the start of Reception all the way to Year 6, we use buckets to describe how we feel and how others have made us feel. For positive behaviour choices, we say that "you have filled my bucket". For negative behaviours, we say that "you have dipped from my bucket".

# Safeguarding and Child Protection

**Safeguarding and promoting the welfare of children is defined as:**

1. Protecting children from maltreatment;
2. Preventing the impairment of children's mental and physical health or development;
3. Ensuring that children grow up in circumstances consistent with the provision of safe and effective care;
4. Taking action to enable all children to have the best outcomes.

At Wildmoor Heath School, **all staff maintain a culture of vigilance** and put the health and safety, learning progress and pastoral needs of our learners first. We have robust safeguarding procedures in place, including annual formal training for all staff.

Wildmoor Heath have three trained DSLs who receive multi-agency training, attend ongoing formative sessions and represent the school at Child Protection meetings. **Mrs Vincent** is the Designated Safety Leader (DSL), supported by **Mrs MacManus** and **Mrs Joseph** as our Deputy Designated Safety Leaders (DDSLs).

Our Safeguarding Policy (latest September 2025) can be found on the school website and/or a copy can be requested from the school office.

If you have any concerns whatsoever about a child, or something that you have witnessed inside or outside of school, please speak one of our safeguarding team.
