

Nature Photography

COMPETITION!

To celebrate Sir David Attenborough's 100th birthday on May 8th we are launching a WH Nature Photography Competition

Enjoy connecting with nature by taking photographs of your beautiful surroundings - plants, animals, or landscapes. Get creative: try different angles, lighting or unique details in nature. Perhaps your photo could share an important environmental message?

RULES

- One entry per child! Take plenty of photos but submit your favourite
- Photos must be taken by you & not parents
- Be careful not to disturb any wildlife in order to take your photo
- Submit your photo digitally to reception@wildmoorheath.org.uk by Friday 17th April
- Remember to include your name & class in the email & give your photo a title - all entries will feature in a school exhibition in May. Have fun!
