

# End of Year

## Thank You

I would like to start by thanking everyone who has supported me during my 6 ½ years at Wildmoor Heath, especially in the last 3 years as Head Teacher. I started at Wildmoor in January 2020 (just before Covid and lockdowns), but knew straight away that this is a very special and unique place; I immediately felt at home. The outdoor environment was a bonus and the supportive community were really appreciated. Over the years, it has been an honour to work with everyone towards the common goal of improving the school.

In the last three years, we have updated the inside and outside of the building, improved our open morning sessions for prospective parents and increased our visibility in the Crowthorne community. With the backing of our brilliant parent body, Wildmoor Heath is now seen as the place to be! For the last two years, we have filled our Reception classes and even have waiting lists!

Although it is enormously sad to leave our small school with a big heart, I know that the school is in a place of strength, ready to grow even further under the leadership of Mr Neal.

Thank you, everyone. I hope you all enjoy a lovely summer holiday.

## New Staff

Please welcome Mrs Freitas to our team. She will be teaching in Year 1 on Mondays, Tuesdays, and Wednesdays. Mrs Freitas has already met the children and had a thorough handover from the Reception staff.

Please also welcome Miss Yates, who will be teaching in Year 5. Miss Yates visited the children last week and has received a full handover from the Year 4 staff. We look forward to working with both of them!

Mr Neal and I are currently completing recruitment for an additional Receptionist and will share more details in the new year.
